Good morning, I hope everyone is well.

As per my comment we just a trailer not be able to back up into the road properly and ended in the ditch due to packed snow, lack of visibility soft ditch and the driver not aware this was a ditch because no posts to let him know.

I know you mentioned you would share my comments but I as well wanted to mention this poor man's struggles and now he has an accident and lots of challenges along the way.

The road was blocked, large tow truck came.

Please add this to my concerns.

Take care
Isabel
