The screenshot shows the Hydro One map interface. At the top, there are navigation icons for MENU, HELP, and SEARCH, along with the Hydro One logo. Below the navigation is a legend for 'Customers Affected' with color-coded markers: a red diamond for '>5000', an orange diamond for '501-5000', a green diamond for '51-500', a blue diamond for '21-50', a purple diamond for '<=20', and a multi-colored diamond for 'Multiple'. The map itself shows a large green-shaded area representing a service area, covering parts of Ontario from the Kawartha Lakes region in the north to the Niagara Falls region in the south, and from the Ottawa region in the east to the Toronto region in the west. Several purple diamond markers are placed on the map, indicating specific locations. The map includes standard navigation controls like zoom in (+), zoom out (-), and a search bar. The bottom of the map shows 'Map data ©2019 Google' and a 50 km scale bar.
