Hi Clinton,

It may have gone to Jason or Martin. I have copied both on this email.

Regards,

Nathan Garland

Hi Nathan

I believe you were circulated on or source water protection OPA public meeting this evening. Does the GRCA have any comments regarding the draft SWP policies we are proposing to include in the Township of Southgate OP? The public meeting is this evening however a by-law will not be going forward until Late Sept or early Oct.

Regards,

**Clinton Stredwick, BES MCIP RPP
